Please Note!

We ask that all students try to make it to their scheduled seminars, but we understand if a seminar has to be missed. A missed seminar can be made up in the same year by attending the seminar on a later date and location. A missed seminar can also be completed within the following year. Under certain circumstances students can make special arrangements with the C.A.L.L. staff in order to make up a missed seminar via video viewing at home with a parent.

Volunteer Hour Tracker

Keep track of volunteer hours and turn them in when they total 15 hours

Date of Service	Agency and Supervisor's Name	Parent Initials	Number of Hours

Please Note!

Students can find a suggested list of volunteer service opportunities on the CALL website under the "Downloads" tab.

Although we encourage participation in liturgical activities (choir, altar serving, lector, etc.), we would like teens to experience giving of themselves and their time outside of their normal Mass schedules.

When 15 service hours are finished each year please send a completed copy to: call@diocesephoenix.org or turn it in to a CALL staff member.
