Pro-life Defense · Avoiding Hook Up Culture · Bioethics · College Readiness

Why Bishop Olmsted is so supportive of these efforts:

- ✓ **Systematic Formation in pro-life and Theology of the Body topics. Mandatory attendance to receive a certificate of completion benefits teens when applying for colleges and scholarships. One year certificates are also provided, so even juniors and seniors can join.**
- ✓ **Diocesan Program complements, does not compete with, parish youth catechesis. Sharing of speaker resources provides more coverage!**

What we're offering:

- ✓ **Discounts for teens in parish youth programs, and for siblings.**
- ✓ **Meets only 4 times a year, but seminars are content rich and engaging.**
- ✓ **Seminars are on two separate days, in different valley locations, so they don't compete with youth group nights.**
- ✓ **Credit may be given to teens who have already attended parish or school TOB classes and/or parish retreats: just ask!**
- ✓ **Credit is given for service hours done for other schools or organizations.**
- ✓ **Curriculum is now available for use at Parish Youth Groups or in Catholic High Schools. Just send an email to call@diocesephoenix.org to inquire.**
- ✓ **Come join the fun and interact with teens all over the Diocese!**
